MEMORANDUM

TO: Dr. Linwood H. Rose, President - James Madison University

FROM: Phil Wishon, Dean – College of Education *Phil*

SUBJECT: Pre-Teacher Education Articulation Agreement (Revised)

DATE: April 22, 2008

RE: Signature Requested

Lin,

Attached are two copies of the Pre-Teacher Education Articulation Agreement between JMU and the Virginia Community College System, latest revisions to which strengthen the original agreement you signed several years ago, and which provide students transferring to JMU from community colleges greater guidance and flexibility. Over the past couple of years I have carefully followed the progress of document revision, and recommend your ratification of this final draft. As you will note, Glenn DuBois, Chancellor of the Virginia Community College System ratified the document earlier this month.

Please let me know if I can answer any questions for you. Once you have signed both copies of the document, please retain a copy for your files, and return the other to me for further distribution.

Thanks so much.
